## 12-Bar Blues Progression Chart

### Directions:

1. Label the root of each diatonic chord by writing the letter under the chord.
2. Circle the I, IV, and V chords.
3. Label the I, IV, and V chords above the staff.
4. Use the root letters from the I, IV, and V chords to fill in each of the twelve measures of the chart below to make a 12-bar blues progression in C Major.
