## Google Chrome Music Lab Rhythm Activity: Composition

### Step one:

Create a four beat rhythm pattern below using rhythms from the bank.

My rhythm pattern:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

---

### Step two:

Write the number of sounds for each beat in your pattern.

Number of sounds for each beat in my pattern:

\_\_\_\_\_

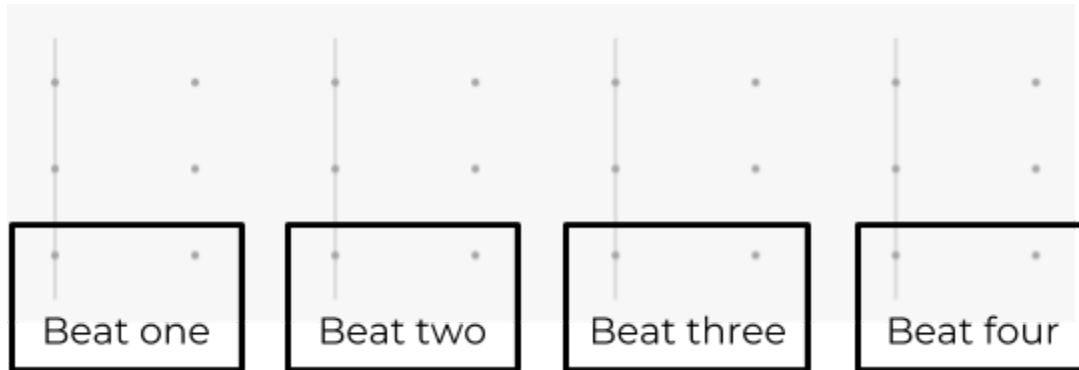

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

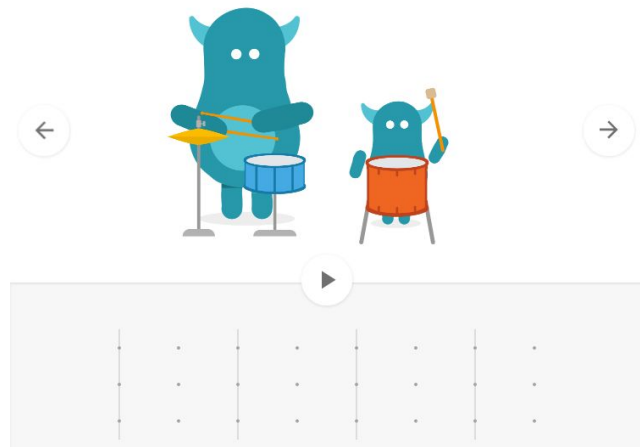

Step Three:

Plot out your rhythm example by circling the dots below to match the number of sounds needed in each beat.

Step Four:

Go to <https://musiclab.chromeexperiments.com/Rhythm/> or scan QR code and click a side arrow until your screen matches the picture below.

Click the dots to match your grid above. Press play to hear your composition!
